## PREZ SEZ

February was a good month. Our meeting, held on the 13<sup>th</sup>, was attended by a record breaking 12 people. This was the meeting that determined our ride schedule and now it's over. We've smoothed out our ride calendar for 2008, and it looks like it will be a good one. Thank you Suzie Kirkwood, for working with Nedra, Rancho Cuyamaca State Park's Supervisory Ranger, in obtaining Los Vaqueros for our Horse Camp. It shows how much we can all support each other for a common goal. Reservations will soon be on sale for Horse Camp and check out our calendar to see that you can be there.

President's Weekend at Stagecoach Resort was fun for those who attended. I even received a "thank you" card from the resort and they were very hospitable towards us by providing us with the small clubhouse and wood for the fire. With regards to the calendar, if you are sponsoring a ride this year, I ask that you provide the details, flyer and any particulars to Dianne early enough to publish and allow for us to make plans.

We are looking at a lot of fun in the next couple months. For example, the St. Patrick's Day Ride will be March 16<sup>th</sup> held at InKoPah again. That was a great ride last year and I expect it will be as much fun this year. The Austin Ranch Camp-out is April 11th thru 13th, with the Chuck Wagon, and it

will be great ride as well. Marty is putting this together and it will include a Corta Madera Ranch ride.

"Earth Day" in Cuyamaca will be on April 19th. Details to follow, as far as location. We will be sponsoring the Chuck Wagon and will require assistance from the club membership to ensure it goes well (contact me if you want to help). It would also be great if we could participate in the Park's trails maintenance and repairs.

May 3rd will be our Carne Asada Dinner. Tickets and flyers are going to be printed, mailed out to you soon, and sold or purchased by you. This is the biggest fundraiser we have and I expect full support from the membership to ensure it continues to be a big profit maker. The funds we raised last year enabled us to reduce the cost for our Christmas Party and absorb some of the costs for Horsecamp. Please get out there, sell your tickets and buy some for your friends. I am looking forward to this year and I hope you are as well.

If you know anyone who hasn't renewed their membership, let them know they are going to be, if not already, dropped from the Roster and will be added back on after dues are paid.

Please keep it safe.

Gary

# Minutes From the February 13, 2008 PVMR Meeting

(respectfully submitted by our Secretary, Jody Carnevale)

The sparsely populated meeting was called to order at 7:10 p.m. Harry Buckel led the Pledge of Allegiance.

## Treasurer's Report:

The Treasurer was not in attendance and there was no information to report.

## Old Business:

Stagecoach Trails campout is scheduled for February 15-18, 2008. Carne Asada fliers and tickets need to be addressed.

## New Business:

Earth Day is on April 19, 2008. This conflicts with our scheduled Austin Ranch campout in April. Further discussion on the schedule follows. Please see *Announcements* below for information.

Gary is going to email Dianne for help with the flier for the Carne Asada Dinner. Marci Jones and Jan Herrera will take care of getting the tickets printed. The goal is to have the 1,000 tickets and fliers sent to the members in mid-March.

We are going to make it a goal to get the ride fliers in the HoofPrints at least a month before the ride. If you have any questions about any of the rides, please contact the ride host.

We also discussed possibly getting the Newsletter out earlier in the month. Gary will contact Dianne to discuss feasibility. Jody will get the notes to Dianne by the 18<sup>th</sup> instead of the 25<sup>th</sup> to help with the earlier publishing.

Ride hosts need to get their fliers in to Dianne at least 2 months prior to the ride so there is enough time for the members to make plans.

The issue was brought up about the Chuck Wagon and food quantities. The problem in the past has been with buying too much food. We will discuss ways to avoid that in future meetings.

## Committee Reports:

*Membership/T-Shirts* had nothing to report (not here).

*Trails Committee* had nothing to report (not here).

*Trail Boss* had nothing to report but she brought some great cookies!!

*Sunshine Lady* (She just had surgery and needs her own Sunshine Lady).

# ST. PATRICK'S DAY RIDE AT INKOPAH (Sunday, March 16th)

Please come and join in with us for a day ride out of Inkopah on St. Patty's Day Weekend, Sunday March 16. Once again Marge Pachon and Jan Herrera will host the ride and Corned Beef and Cabbage Stew will be waiting for you at the end of the ride (compliments of PVMR!) We will also provide green beer and cookies, but bring your own chairs, portable tables or TV trays to eat on. With President Gary being horseless, we'll rope him into helping us cook too.

Directions - Drive east on I-8 past Jacumba to the Inkopah off ramp. Turn left under the highway and park on the north side to your left. We'll park right along the frontage road as in the past. Ride time will be in the saddle at 10:00 a.m. sharp! Susan Blackman will lead the ride where you will see very huge and strange rock formations in the "valley of the moon." This will be about a 2 1/2 hour ride that we do recommend shoes for your horses and after the first steep hill, it is fairly flat. Bring you own drinks (other than beer) and lots of water for you and your horse along with water buckets. Please RSVP at the General Meeting on the 12th, or by Thursday, March 13th, so we'll know how much corned beef to buy. There is no raindate planned. If you have any questions, or for reservations, please call Jan Herrera @ 619-445-1861.

The meetings start at 7:00 p.m. Come at 6:00 p.m. and have dinner beforehand and visit. Questions or directions: Linda Eskin 619 368-4333 (cell) or [linda@lindaeskin.com](mailto:linda@lindaeskin.com).

### **Park News:**

- ... Ernie, Bernie and Peggy met with Park Superintendent Nedra Martinez to build relationships and communication.
- ... Nedra updated us on progress in the tree contract in Green Valley Campground. Special work parties are planned February 16 & 17 and February 23 & 24. Meet at Green Valley Campground at 9:00. Contact Mike Curtis [cmcurtis@pacbell.net](mailto:cmcurtis@pacbell.net)
- ... **Firewood** is available (cut but not split – you load) for \$20 a pickup truck. Obtain a permit at Park Headquarters near Paso Picacho.
- ... **Trail conditions** – lots of trees are down. Plan rides that allow enough time to backtrack if necessary. The park is greening up and water is flowing. Ride and enjoy the park. Please refrain from riding after rains until trails firm up to reduce trail damage.
- ... **Fages Ride** – original ride was April 17-20<sup>th</sup>, 1782. CRSPIA, with CEA's support, is planning an historical celebration ride the weekend of September 26-28, 2008. Ride will be staged at Los Vaqueros Group Camp. Volunteers are needed for planning.
- ... **Proposed Merigan's horse camp** – Ernie Smith spoke again with project manager Suzie Lahitte. Additional results of surveys are affecting proposed designs. The Equestrian Advisory Group is seeking input to the design of the camp.
- ... **Adopt a work party** - Encourage your club membership to volunteer for a work party date in 2008. Information on the CEA website [www.cuyamacaequestrian.org](http://www.cuyamacaequestrian.org). Great time of year to work on trails!

### **Los Caballos Historic Site nomination – please help:**

The CEA nomination committee continues to work on the draft of the nomination. The larger historical context and the traditional cultural activities of equestrians are the focus of our work. We still could use help to “fill in” details of the history of Los Caballos and the cultural significance to equestrians. The history of riding clubs and equestrian groups is being gathered.

# BUCKEL'S CHUCKLES

## Ten Ways to Becoming a Better Equestrian

1. Drop a heavy steel object on your foot. Don't pick it up right away. Instead, shout, "Get Off, Stupid! GET OFF!"
2. Leap out of a moving vehicle and practice "relaxing into the fall." Roll into a ball and spring lithely to your feet.
3. Learn to grab your checkbook and write out a \$200 check without even looking down.
4. Jog long distances carrying a halter and a carrot. Go ahead and tell the neighbors what you are doing - they might as well know now.
5. Affix a pair of reins to a moving freight train and practice pulling to a halt. Smile as if you are having fun.
6. Hone your fibbing skills: "See, moving hay bales is FUN!" and, "No, really, I'm glad YOUR LUCKY PERFORMANCE and multi-million dollar horse won the class. I am just thankful that MY HARD WORK and actual ability won me second place."
7. Practice dialing your chiropractor's number with both arms paralyzed to the shoulder and one foot anchoring the lead rope of a frisky horse.
8. Borrow the US Army's slogan: Be All That You Can Be - bitten, thrown, kicked, slimed, trampled, frozen . . .
9. Lie face down in a puddle of mud in your most expensive riding clothes and repeat to yourself, "This is a learning experience. This is a learning experience. This is . . ."
10. And the Number One Exercise to Become a Better Equestrian . . . remember, it's never the horse's fault !!!

### A Word Between a Horse Owner and a Horse:

When you are tense, let me teach you to relax.  
When you are short tempered, let me teach you to be patient.  
When you are short sighted, let me teach you to see.  
When you are quick to react, let me teach you to be thoughtful.  
When you are angry, let me teach you to be serene.  
When you feel superior, let me teach you to be respectful.  
When you are self absorbed, let me teach you to think of greater things.  
When you are arrogant, let me teach you humility.  
When you are lonely, let me be your companion.  
When you are tired, let me carry the load.  
When you need to learn, let me teach you.

*After all, I am your horse.*
